

JConcepts Events is proud to present the Spring Dirt Oval Nationals. Held at the iconic HobbyTown facility in Omaha, Nebraska, the centrally located venue invites Dirt Oval racers of all skill level to race at the world renown, The Plex. The indoor facility, managed by Alex Sturgeon, has a wealth of RC knowledge to go along with passion and always provides an experience like no other.

The Plex has indoor pitting to accommodate a huge group of racers and one of the largest indoor tracks in the U.S.A. The Spring Dirt Oval National's track build will focus around their current Dirt Oval track, however, updates and size changes will accommodate faster speeds, better driver visibility, and a top level race experience that's unique to the dedicated event.

The class breakdown is popular, including, Sprint and Late Model in addition to the latest class introductions of Street Stock, Wingless Sprint and Short Course Modified. The docket is full of excitement, prepare for a roar of thunder set to take place squarely set in middle America.

Reserve the date, book the trip and bring a friend along to enjoy a Midwest Dirt Oval experience.
